Thank you for your interest in our Maverick Logo, LLC Patterns! We hope you enjoy stitching them as much as we enjoy creating them.

INSTRUCTIONS

VIEW C

Ornamental Size Stick Horse

Use pattern pieces 15 & 16 (Appliqué(s) OPTIONAL)
DO NOT USE STRETCH FABRICS

#15 - MANE BOARD

Cut out mane board. Start at one end of board, between longer edged ends and wrap 4 ply knit/crochet yarn around and around mane board. Wrap to the end, rewrap back to the beginning over and over several times (use tape to secure the 1st and last strand to the mane board). Draw a line down the middle of the wrapped yarn, between triangle marks, stitch a seam along each side of line approximately ¼' from line each side. Once seamed on each side, cut mane in half on the draw line. Snip ends off one end of mane board #15 to remove the two mane pieces, (tape ends of mane board to reuse. Fold each mane piece in half (long length), cut in half again. Mane board #15 makes four manes, (VIEW C) each time.

#16 - HEAD

Fold fabric double, with right sides together, place pattern pieces(s) onto fabric. Hold in place with pins, cut out piece(s). Transfer any markings onto wrong side of fabric. Place one eye, (1/8" nail head Optional) onto right sides of both fabric pieces at markings. Any machine sewn and/or iron-on appliqué(s) must be added to head piece at this time.

#2-HEAD CONNECTOR

Place connector piece on fold line, cut, open material and trace markings onto wrong side of fabric (trace on one end of open connector piece only).

Place one mane piece onto right side of one head piece #16, between notches (flat edge of mane must be even with flat edge of had piece. Pin and stitch, place second head piece, right sides together against mane and the first head piece. Pin and stitch together following the seam guide between dots, leaving the pinked edge of head open. Turn head right side out and trim mane to 5/8" length. Stuff head lightly with fiberfill.

Place a drop of glue onto one end a wooden dowel piece, (approximately 5" long x ¼" in diameter). Place dowel inside stuffed horse neck, approximately 2", let set and finish stuffing the base of neck lightly with fiberfill.

Cut a piece of yarn, approximately 1 foot in length and wrap yarn piece around the base of horse neck, ½" above the pinked edge, tie knot and trim excess yarn. Loop another yarn piece approximately 1 yard long, around nose and knot on one side. Lave one end loose (for rein) and wrap other end up around top of neck and through mane.

Bring yarn through mane and loop through nose yarn, tie knot. Tie reins together and trim excess. Take a piece of yarn, slip through neck yarn and knot ends together. The length of this yarn piece is determine by the project you are trying to achieve; ornaments, mobiles, etc.

WARNING NOTICE:
